Izan Zambrano

ASIR Student · Head of IT

> PROFILE

Second-year student of the Higher Vocational Diploma in Network and Systems Administration (ASIR), with a strong passion for IT, system administration and network infrastructure.

Hands-on experience with Linux environments, server administration, network services, virtualisation and Bash automation. Particularly interested in cybersecurity and IT infrastructure management. My goal is to specialise in systems, networking and cybersecurity.

> EXPERIENCE

Head of IT department
ESGroup · Sep 2026 – present
Work across the company's technology environment and management of its IT systems.

Crew member
McDonald's · 2026

Sales promoter · Brother campaign
MediaMarkt · 2025 – 2026

> EDUCATION
